

Come Together Dining Table

With its wide, velvety surface and minimalist, architectural structure allowing for plenty of room underneath, the Come Together Dining Table is the last table you will ever buy.

The piece is full of hidden, geometric details: from the diamond cut out running down its length to the canted surfaces of the legs that change shape as you circle the piece, there's always something more to notice.

- Part of the Wishbone Collection
- Shown in Walnut with Oak details and natural Brass.
- Hand applied oil finish.
- Available in a variety of American hardwoods.
